MUSEUM TRUST**

About Braintree Museum

Based in the former Manor Street School, Braintree Museum conserves and celebrates the history of Braintree and surrounding area, focusing on the industrial and cultural achievements as well as its notable personalities.

About the Warner Textile Archive

The Warner Textile Archive is the largest publicly owned collection from a luxury textile manufacturer in the UK. The collection is a rich design resource documenting the history of Warner & Sons, a company that produced fabric for royal weddings and pioneered manufacturing techniques that have never again been replicated.
